Re: Sale of 8 Drawbridge place, Castle Hill

Dear Michael,

Emine and I would like to thank the team of Louis Carr real estate for the absolute determination and professionalism with which our entire process was managed. Your team has been diligent and fair whilst at the same time providing a personalised service.

For quite some time now we have been looking at property and visiting many open homes. In that time we have met many real estate agents ...in fact everyone in the area. By comparison we have found the Louis Carr team to be smart, efficient, professional, and above all energetic. This dynamic approach made the process of selling and buying easier. That's why we think Louis Carr is the best.

We wish to acknowledge your hard work, and want to express our gratitude to the entire staff of Louis Carr. You are truly sensational and an absolute pleasure to deal with.

We hope you don't mind, but we will be recommending Louis Carr, to anyone who is buying or selling, because we know you can make it happen!

Sincerely

Steve & Emine Zebib.
