Att: Melanie Kench,

Dear Melanie,

I am writing to thank you and the team at Louis Carr Real Estate for selling my property and achieving the price I wanted.

Compared to other agents in the area, your approach to selling real estate is outstanding. I was firstly impressed with your organisations relaxed and professional manner, you listened to what I had to say and responded appropriately.

If any of your future clients would like to hear first hand of my experience, please ask them to call me, I can only recommend you most highly.

Yours sincerely,
